CONNECT WITH NATURE AND THE BACK BAY

Ten distinct neighborhoods make up Newport Beach, each with its own unique personality, natural beauty and story to share.

With the largest recreational harbor on the west coast, there are ten miles of extraordinary fishing, swimming, surfing, and aquatic sports activities.

From sunset cruises to surf lessons, wine tastings to harbor-front promenades, Newport Beach has it all, for the perfect work, lifestyle balance.

The Newport Beach Back Bay Trail is a 10.1 mile lightly trafficked loop trail located near Newport Beach, that features beautiful wild flowers and is good for all skill levels. Enjoy the sea breeze and back bay views during your daily exercise.

The trailhead entrance is steps away from your workspace at 100 Bayview.
